

Temporary Exemption for Disaster Damage

📌 Property owners whose property sustained **at least 15% damage** from the April 2026 severe storms may qualify for a Temporary Disaster Damage Exemption under Texas Tax Code Section 11.35.

⚠️ **Not all properties in the disaster area qualify. Eligible properties must have sustained at least 15% damage.**

🕒 **Applications must be received by August 10, 2026.**

⚠️ **Supporting documentation is required.** To determine whether your property meets the 15% damage threshold, applicants should provide insurance adjuster reports, repair estimates, photographs, FEMA documentation, contractor assessments, or similar evidence of damage. Applications without sufficient supporting documentation may be denied.
