5. **VISIBILITY, ACCESS, AND MAINTENANCE EASEMENTS:**

The area or areas shown on the plat at "VAM" (visibility, access, and maintenance) easement(s) are hereby given and granted to the city, its successors and assigns, as an easement to provide visibility, right of access for maintenance upon and across said VAM easement. Should the city exercise this maintenance right, then it shall be permitted to remove and dispose of any and all landscaping improvements, including without limitation, any trees, shrubs, flowers, ground cover, and fixtures. The city may withdraw maintenance of the VAM easement at any time. The ultimate maintenance responsibility for the VAM easement shall rest with the owners. No building, fence, shrub, tree or other improvements or growths, which in any way may endanger or interfere with the visibility shall be constructed in, on, over, or across the VAM easement. The city shall also have the right but not the obligation to add any landscape improvements to the VAM easement, to erect any traffic control devices or signs on the VAM easement, and to remove any obstruction thereon. The city, its successors, assigns, or agents shall have the right and privilege at all times to enter upon the VAM easement or any part thereof for the purposes and with all rights and privileges set forth herein.

6. **CONSTRUCTION OVER EASEMENTS:**

No buildings, fences, trees, shrubs, or other improvements or growths shall be constructed or placed upon, over, or across the easements as shown, except that landscape improvements may be placed in landscape easements, if approved by the City Council of the City of Weatherford. The City of Weatherford and public utility entities shall have the right to remove and keep removed all or parts of any buildings, fences, trees, shrubs, or other improvements or growths which may in any way endanger or interfere with the construction, maintenance, or efficiency of their respective systems in said easements.

7. We hereby waive all claims for damages against the City occasioned by the establishment of grades or the alterations of the surfaces of any portion of the existing streets and alleys, or natural contours, to conform to the grades established in the subdivision.

8. Additional easements will be provided as a separate instrument at the time of construction, if necessary.

9. Bearings and distances shown hereon are relative to the Texas Coordinate System of 1983, North Central Zone, as derived by GPS observations. Distances and area shown hereon are surface distances.
