FLOODPLAIN RESTRICTION

No construction shall be allowed within the floodplain easement, without the written approval of the Director of Transportation and Public Works. In order to secure approval, detailed engineering plans and/or studies for the improvements, satisfactory to the Director, shall be prepared and submitted by the party(ies) wishing to construct within the floodplain. Where construction is permitted, all finished floor elevations shall be a minimum of two (2) feet above the floodplain base flood elevation resulting from ultimate development of the watershed.

FLOOD PLAIN/DRAINAGE-WAY: MAINTENANCE

The existing creek, stream, river, or drainage channel traversing along or across portions of this addition, will remain unobstructed at all times and will be maintained by the individual lot owners whose lots are traversed by, or adjacent to, the drainage-ways. The City of Fort Worth will not be responsible for the maintenance, erosion control, and/or operation of said drainage-ways. Property owners shall keep the adjacent drainage-ways traversing their property clean and free of debris, silt or other substances which would result in unsanitary conditions, and the City shall have the right of entry for the purpose of inspecting the maintenance work by the property owners. The drainage-ways are occasionally subject to storm water overflow and/or bank erosion that cannot be defined. The City of Fort Worth shall not be liable for any damages resulting from the occurrence of those phenomena, nor the failure of any structure(s) within the drainage-ways. The drainage-way crossing each lot is contained within the floodplain easement line as shown on the plat.

SITE DRAINAGE STUDY

Preliminary and Final Storm Water Management Plans (SWMP) demonstrating how site runoff will be mitigated to preclude any adverse impact to the surrounding area (as defined by the edition of the City of Fort Worth Integrated Stormwater Management Criteria Manual current at the time the SWMP is submitted) must be submitted to and approved by the City of Fort Worth for each individual lot prior to 1.0 acre or more of land disturbance.

UTILITY EASEMENTS

Any public utility, including the City of Fort Worth, shall have the right to move and keep moved all or part of any building, fence, tree, shrub, other growth or improvement which in any way endangers or interferes with the construction, maintenance, or efficiency of its respective systems on any of the easements shown on the plat; and they shall have the right at all times to ingress and egress upon said easements for the purpose of construction, reconstruction, inspection, patrolling, maintaining, and adding to or removing all or part of its respective systems without the necessity at any time of procuring the permission of anyone.

PARKWAY PERMIT

Parkway improvements such as curb and gutter, pavement tie-in, drive approaches, sidewalks and drainage inlets may be required at time of building permit issuance via a parkway permit.

WATER / WASTEWATER IMPACT FEES

The City of Fort Worth has an ordinance implementing the assessment and collection of water and wastewater impact fees. The total amount assessed is established on the recordation date of this plat application, based upon Schedule I of the current impact fee ordinance. The amount to be collected is determined under Schedule II then in effect on the date a building permit is issued, or the connection date to the municipal water and/or wastewater system.

CONSTRUCTION PROHIBITED OVER EASEMENTS

No permanent buildings or structures shall be constructed over any existing or platted water, sanitary sewer, drainage, gas, electric, cable or other utility easement of any type.

PRIVATE MAINTENANCE

The City of Fort Worth shall not be responsible for maintenance of private streets, drives, emergency access easements, public access easements, public pedestrian access easements, recreation areas, open spaces and drainage facilities, and said owners agree to indemnify and save harmless the City of Fort Worth, Texas, from claims, damages and losses arising out of or from performance of the obligations of said owners set forth in this paragraph.

BUILDING PERMITS

No building permits shall be issued for any lot in this Subdivision until an appropriate CFA or other acceptable provisions are made for the construction of any applicable water, sewer, storm drain, street lights, sidewalks, or paving improvements; and approval is first obtained from the City of Fort Worth.

SIDEWALKS

Sidewalks are required adjacent to both sides of all public and private streets, and public access easements, in conformance with the Sidewalk Policy per "City Development Design Standards".
